## JUNIOR FULL STACK DEVELOPER

### ABOUT ME

Recently graduated from the Ironhack Bootcamp (full-stack development), I'm now looking for an opportunity to develop my skills as a Junior Developer after working in electromechanics (diagnostic technician) for over 10 years at Volkswagen.

As a detail-oriented problem-solver, I bring a strong work ethic and a passion for learning to every project. With excellent teamwork and communication skills, I thrive in collaborative environments. I'm eager to apply my skills and stay up-to-date with the latest industry trends. I'm available immediately and I'm excited to launch my career in software development and utilize my diverse background to build innovative web applications
